30BR-10306	6 Foot	1"	25	18	35	200 m
30BR-10315	15 Foot	1"	25	18	35	200 m

**Specifications:**

- Product Name: Polyester Expandable Sleeving
- Material: Polyester
- Working Temperature: -50°C to +150°C
- Melting Point: 240±10°C
- Flammability: VW-1
- Color: Black and Grey
- Application: It is mainly used to cover cables, wire harnesses, tubes, industrial hoses where is required an good mechanical Protection
- Cutting tool: Hot Knife

Approval: UL, RoHS, REACH, Halogen Free

Item Number:	30BR-10xxx	
Title:	Woven Polyester Expandable Wire Sleeving	
Drawn by:	JL	
Approved by:	MAC	
ID:	181
