**Description**

Lightweight, slim, and compact, this keyboard is perfect for travel, school, or any work environment. It fits easily in your briefcase or backpack. The keyboard can be cleaned with water, alcohol or disinfectant to help prevent the spread of diseases and germs. It is suitable for use in public places such as schools, restaurants, or hospitals where clean keyboards are a requirement. This sealed keyboard can be easily cleaned. Also good for use in dusty areas such as factories, or outdoors. Quiet keystroke is a good match for library use.

Available in three colors. Black/Gray, Blue/White, Pink/White  
 To use with PS/2 machines, use 150533 USB/PS2 adapter (sold separately).
